

Company Travel & Expense Policy

1. Airfare Policy

Employees must book economy class for domestic travel. Business class is only allowed when international flights exceed 8 hours, director approval is obtained, or medical accommodation is required. First-class tickets are not reimbursable.

2. Hotel Policy

3. Meal Policy

City Type	Max Per Night
Standard City	\$250
High-Cost City	\$400

4. Ground Transportation

Meal	Max Amount
Breakfast	\$25
Lunch	\$35
Dinner	\$75

Allowed: UberX, Lyft Standard, Taxi, Public Transportation. Not Allowed: Limousine services and luxury car rentals.

5. Receipt Requirements

Receipts are required for expenses above \$25. Missing receipts require manager approval.

6. Fraud Detection Rules

The following may trigger fraud review: duplicate receipts, excessive meal expenses, multiple hotel charges for the same date, weekend personal expenses, and repeated cash withdrawals.

7. AI Expense Review

The company uses AI systems to categorize expenses, detect fraud patterns, validate policy compliance, and recommend approvals or rejections.

Amount	Approval Required
<\$500	Manager
\$500-\$5000	Director
>\$5000	VP Approval

8. Approval Workflow

9. International Travel

International travel requires pre-approval, security review, budget estimation, and visa documentation if applicable.
